## EDUCATION

---

**Ph.D. CANDIDATE** IN SOCIAL AND CULTURAL ANALYSIS (SOCIOLOGY) 2020 – PRESENT

*Concordia University*

*Montréal, Canada*

- **Thesis:** *Quantitative Intersectional Approaches to Mental Health Disparities: A Study of Young Adults in Canada and the US (Expected 2025)*
- **Co-Supervisors:** *Matthew Unger, Marie-Pier Joly (Concordia University)*
- **Committee Member:** *Alexis Dennis (McGill University)*

**M.A. IN ANTHROPOLOGY**

2018

*University of Tehran*

*Iran*

**B.S. IN INDUSTRIAL ENGINEERING**

2015

*Isfahan University of Technology*

*Iran*

## RESEARCH INTERESTS

---

*Sociological Theory, Sociology of Health, Quantitative Research Methods, Survey Methodology, Applied Social Statistics, Computational Sociology, Critical Data Studies*

## MANUSCRIPTS IN PROGRESS

- 
- Disparities in Anxiety and Depression among Young Adult Post-Secondary Students in Canada: An Intersectional Multilevel Analysis of Individual Heterogeneity and Discriminatory Accuracy (MAIHDA).
  - Discrimination and Disparities in Psychological Distress among Young Adult Post-Secondary Students in Canada: A Latent Class Analysis.
  - Mental Health Disparities among Young Adult Post-Secondary Students in the U.S. at the Intersections of Gender, Sexual Orientation, Race, and Immigration Status: A Mixed-Effect Model Analysis.
  - Community Belonging and Self-Rated Mental Health among Young Adults in Canada: Findings from the Canadian Community Health Survey.
  - Food Insecurity as a Social Determinant of Psychological Distress among Young Adult Post-Secondary Students in Canada: A Mixed-Effects Model Analysis.

- Machine Learning Approaches to Population Mental Health: A Comparison of Logistic Regression, Support Vector Machines, and Decision Trees.

## PROFESSIONAL AND RESEARCH EXPERIENCE

---

**DOCTORAL RESEARCHER, CRDCN EMERGING SCHOLAR** **2024 - Present**

*The Canadian Research Data Centre Network (CRDCN)* *Montréal, Canada*

*Using data from Statistics Canada to analyze disparities in mental health outcomes among youth and young adults in Canada.*

**DOCTORAL RESEARCHER** **2024 - Present**

*The Quebec inter-University Centre for Social Statistics (QICSS)* *Montréal, Canada*

*Using data from Statistics Canada to analyze disparities in mental health outcomes among youth and young adults in Canada.*

**DOCTORAL FELLOW** **2024 - Present**

*Consortium on Analytics for Data-Driven Decision-Making (CAnD3), McGill University*

*One-year training fellowship in population data analytics at McGill University.*

**RESEARCH ASSISTANT** **2022 - Present**

*Department of Sociology and Anthropology, Concordia University*

*Research assistant to Professor Matthew Unger in two SSHRC and FRQSC projects on law, criminalization, and Indigenous communities in Canada.*

**RESEARCH ASSISTANT** **Jan 2022- June 2023**

*Department of Sociology and Anthropology, Concordia University*

*Research assistant to Professor Marie-Pier Joly in a project on employment, underemployment, and the mental health of immigrants in Canada.*

**RESEARCH ASSISTANT** **Jun 2023 - Sep 2023**

*The Applied Artificial Intelligence Institute, Concordia University*

*Research assistant to Professor Tristan Glatard, Canada Research Chair on Big Data for Neuroinformatics and the co-director of the Applied Artificial Intelligence Institute. Conducted research on Gender Equity in AI, leading to the development of a set of normative principles for gender equity in AI.*

*Publication available at: [Normative Principles for Gender Equity in AI](#)*

**CONTRIBUTING AUTHOR/EDITOR** **Jul 2023 - Oct 2023**

*All Tech is Human, Responsible Artificial Intelligence Working Group*

*Contributed to the writing of the 2023 Responsible Tech Guide. Available at: [Responsible Tech Guide](#).*

## TEACHING EXPERIENCE

---

**LECTURER**, *Department of Sociology and Anthropology, Concordia University*

**SOCI 212, Statistics I**, Winter 2025

- Designed a course titled “Statistics for Social Good” by incorporating experiential learning to provide students with more opportunities to work with real-world data to examine topics such as income inequality, food insecurity, housing, and disparities in health outcomes.

**TEACHING ASSISTANT**, *Department of Sociology and Anthropology, Concordia University*

- Provided office hours, led tutorials, and conducted lab sessions to support student learning.

**SOCI 212-B, Statistics I**, Fall 2024

**SOCI 213-B, Statistics II**, Winter 2024

**SOCI 213 -CC, Statistics II**, Winter 2024

**SOCI 213-AA, Statistics II**, Fall 2023

**SOCI 310, Research Methods**, Winter 2022

**SOCI 300, Classical Social Theory**, Winter 2025, Fall 2024

**SOCI 300, Classical Social Theory**, Winter 2023, Fall 2022

**SOCI 300, Classical Social Theory**, Winter 2022, Fall 2021

**TEACHING ASSISTANT**, *Department of Applied Human Sciences, Concordia University*

**AHSC 380, Quantitative Research Methods for Practitioners**, Winter 2022

**TUTOR**, *self-employed, Tebran, Iran, 2016-2020.*

- Taught Social Statistics and Quantitative Research Methods to undergraduate and graduate social science students.

## CONFERENCE PRESENTATION

---

**ODISSEI Conference of Computational Social Science**, Utrecht, The Netherlands (2024)

*Machine Learning Approaches for Exploring the Social Determinants of Mental Health in Canada*, (Absent due to visa delays).

**Canada's Social Prescribing Conference- Advancing Social Prescribing for Health & Wellbeing**, Toronto, Canada (2024)

*Towards Mental Health Equity through Community Building: Social Prescribing as an Emerging Determinant of Mental Health in Canada.*

## TALKS

---

**Affecting Machines: Normative Principles for Gender Equity in Artificial Intelligence**, Fourth Space, Concordia University (2023)

*Panelist in a workshop discussing and presenting the Normative Principles for Gender Equity in AI. See the recorded workshop at: [Affecting Machines](#)*

## SCHOLARSHIPS, FELLOWSHIPS, AWARDS , DISTINCTIONS

---

- **Canadian Research Data Centre Network (CRDCN) Emerging Scholars Grant, Ph.D., 2024.**

*Awarded by CRDCN, Funded by the CFI, CHIRR, SSHRC, Statistics Canada.*

- **Quebec Inter-University Center for Social Statistics (QICSS) Entrance Scholarship, PhD, 2024.**

- **Fonds de recherche du Québec (FRQSC) Doctoral Scholarship, 2024-2026.**

*Ranked 1<sup>st</sup> in Sociology and Demography.*

- **Consortium on Analytics for Data-Driven Decision-Making (CAnD3) Fellowship, 2024-2025.**

*First Concordia student to be awarded the CAnD3 fellowship by McGill University.*

- **Dialogue McGill's Graduate Research Scholarship, 2023-2024.**

*Awarded by McGill University, funded by Health Canada, for my research on "Language Barriers as a Social Determinant of Mental Health among English-Speaking Post-Secondary Students in Quebec: A Literature Review and Policy Analysis".*

- **Concordia University Conference Travel Award, 2024**

- **Concordia University Merit Scholarship, Department of Sociology and Anthropology, 2023**

- **Concordia University Graduate Fellowship (Ph.D.), 2020-2024**

- **Concordia University International Tuition Award of Excellence (Ph.D.), 2020-2024**

- **Ranked 4<sup>th</sup> in the Iranian University Entrance Exam for M.A. Degrees in Social Sciences (4<sup>th</sup> in Demography, 5<sup>th</sup> in Anthropology), 2015.**

- **Ranked 294<sup>th</sup> in the Iranian University Entrance Exam for B.S. Degrees in Engineering, 2008.**

## MEMBERSHIPS

---

- Canadian Sociological Association
- American Sociological Association
- Canadian Population Society
- Canadian Public Health Association
- American Statistical Association
- American College Health Association
- The Health Equity Network
- Women's Health Research Cluster

- *The Quebec Population Health Research Network*

SKILLS & PROGRAMMING LANGUAGES

- Experienced in **Survey Design and Data Analysis**: survey creation, complex survey data analysis, sampling & nonresponse bias, weighting including bootstrapping for variance estimation.
- Experienced in Statistical **Modeling and Data Analysis** with R and Python: multiple imputations, bootstrapping, mixed-effects models, latent class analysis, I-MAIHDA, logistic regression, ordinal regression, and mediation and moderation analysis.
- Experienced in **Machine Learning** with R and Python: supervised and unsupervised learning including support vector machines, decision trees, k-nearest neighbors, random forests, neural networks, and ensemble methods
- Experienced in **Data Visualization** with R and Python: ggplot2, matplotlib, seaborn, plotly, gganimate, and shiny dashboards for creating static and interactive visualizations.
- Experienced in **Version Control and Collaboration** with Git and GitHub for managing code and collaborating on data science projects with reproducible workflows.
- Experienced in **Mathematical Writing** with LaTeX, R Markdown, Quarto, and Bookdown: Creating academic manuscripts, technical reports, and online course materials with professional formatting and reproducibility.
- Experienced in **Reproducible Research Practices**: R Projects, renv & GitHub
- Experienced in **Statistical and Survey Software**: SPSS, Qualtrics, Google Forms
- Proficient in **Visualization Software**: Tableau
- **Programming Languages**: R and Python.
- Experienced in **Collaboration Tools**: Google Workspace, Microsoft 365, Notion
- Excel, Word, and PowerPoint

CERTIFICATES

**Canadian Statistics and Microdata for the Social Sciences**, issued by Concordia University, 2023.

**Gender-Based Analysis Plus**. *Issued by Government of Canada, 2024.*

**Gender and Health: Awareness, Analysis, and Action**. *Issued by Pan American Health Organization, 2024.*

**Health Inequality Monitoring Foundations: Data Sources**. Issued by World Health Organization, 2023.

**Health Inequality Monitoring Foundations: Health Data Disaggregation**. Issued by World Health Organization, 2023.

**Inequality Analysis using R: Disaggregated data from surveys**. Issued by World Health Organization, 2023.

**Research Ethics based on the Tri-Council Policy Statement: Ethical Conduct for Research Involving Humans (TCPS 2: CORE 2022)**. Issued by Government of Canada, 2024.

VOLUNTEERING

Citizens for Public Justice	2024-Present
Migrant Workers Alliance for Change	2022-2024

LANGUAGES

English (*Bilingual*), Persian (*Native*), French (*Elementary*)
